April 18, 2019

Benchmark Litigation recently selected Lightfoot, Franklin & White LLC as a **Top 20 Trial Law Firm for 2019**. The publication's editorial team selected the honorees from trial law firms across the country. Benchmark also ranked Lightfoot as the "Alabama Firm of the Year," making 2019 the third year in a row in which the firm has received the honor.

"We are proud to be ranked among the top trial firms in the nation," said Lightfoot managing partner **Melody Eagan**. "This recognition is a testament to the skill and experience of our lawyers. It also speaks to the reputation the firm has established at a national level."

Benchmark's rankings are based on extensive interviews with both litigators and clients. Researchers examine recent casework handled by firms and ask individual litigators to offer their opinions on peers.
