LIGHTFOOT PARTNERS WITH MAGIC MOMENTS TO GRANT WISH FOR SIXTH CONSECUTIVE YEAR

August 2, 2022

Lightfoot, Franklin & White partnered with local wish-granting organization, **Magic Moments**, to raise money for a teenage girl battling chronic health complications. This is the sixth consecutive year that the firm has sponsored a “Moment of the Month” for a local child.

Founded in 1984, Magic Moments partners with local organizations to grant wishes for Alabama children battling life-threatening illnesses. This year, the firm was able to raise over $5,400 to complete 17-year-old Taylor’s wish, a trip to New York City with her family.

Lightfoot partner **Adam Peck** serves as the Chairperson of Magic Moments’ Board of Directors and associate **Charlie Hearn** serves on the organization’s Junior Board. Both were present this week when Lightfoot welcomed Taylor and her family to the firm to celebrate her upcoming trip.
