LIGHTFOOT TEAM RAISES MORE THAN \$12,000 FOR ALEX'S LEMONADE STAND FOUNDATION FOR CHILDHOOD CANCER

June 11, 2017

After more than a week of fundraising, Lightfoot, Franklin & White LLC has raised \$12,320.45 (and counting!) in support of pediatric cancer research. Attorney **Terry McCarthy** and other team members hosted a lemonade stand in the heart of downtown Birmingham on June 8 to raise money for Alex's Lemonade Stand Foundation for Childhood Cancer.

The Lightfoot team served up ice-cold lemonade (donated by Milo's Tea) as part of **Alex's Lemonade Days**, a week-long annual event when thousands of supporters around the country host a lemonade stand or an event to raise money for childhood cancer research. Lemonade Days consistently raises \$1 million annually from lemonade stands across the country.

Tax-deductible donations can still be made on [the Lightfoot team's fundraising page](#).

About Alex's Lemonade Stand Foundation

Alex's Lemonade Stand Foundation (ALSF) emerged from the front yard lemonade stand of cancer patient Alexandra "Alex" Scott (1996-2004). In 2000, 4-year-old Alex announced that she wanted to hold a lemonade stand to raise money to help find a cure for all children with cancer. Since Alex held that first stand, the Foundation bearing her name has evolved into a national fundraising movement, complete with thousands of supporters across the country carrying on her legacy of hope. To date, Alex's Lemonade Stand Foundation, a registered 501(c)3 charity, has raised more than \$140 million toward fulfilling Alex's dream of finding a cure, funding over 690 pediatric cancer research projects nationally.
