JACK SHARMAN NAMED TO AMERICAN LAWYER'S INAUGURAL LIST OF 'SOUTH TRAILBLAZERS'

October 1, 2021

Lightfoot, Franklin & White LLC partner **Jack Sharman** has been named a 2021 South Trailblazer by *The American Lawyer*, which introduced the new award this year.

Sharman was recognized for his role in many of the South's most recent white-collar and high-profile investigations. He will be profiled alongside other honorees in the publication's October/November issue.

The Trailblazer series is a special supplement that spotlights a handful of individuals from various practice areas that are “truly agents of change” and who have “moved the needle in the legal industry.”

Sharman, who leads the firm's **White-Collar Criminal Defense & Corporate Investigations** practice, has spent his career at the forefront of high-profile investigations. His experience has included: serving as special counsel during the Whitewater investigation involving Bill and Hillary Clinton; leading the **impeachment probe** of Alabama Governor Robert Bentley; conducting **a review of Huntsville police actions** during George Floyd protests; and, currently, serving as special counsel in a **probe of Georgia's 2020 presidential election** focused on a call between then-President Donald Trump and Georgia Secretary of State Brad Raffensperger.
